- **Jeanette Conley** – Stanford DOM Employee of the Month
- **New Hires:** Kathleen Jia (Stan '17); Silvia Loica-Mersa (Stan '17); Evelyn Ling (UCDavis '17)
- **>2,500 patients** treated since Stanford ValleyCare Hospitalist Team's inception

## PATIENT CARE, QUALITY IMPROVEMENT, EDUCATION

The Stanford ValleyCare Hospitalist Group is within the Stanford Hospital Medicine Division. The Stanford ValleyCare Hospitalist group started in 2015 with one day team and one night team. The team expanded in 2016 to three day teams, one swing team, and one night team. Since inception, the team has cared for **over 2,500 patients with over 12,500 encounters**.

## Quality Improvement/Committee Involvement

Stanford ValleyCare hospitalists are active participants on numerous Stanford ValleyCare committees. Current initiatives include telemetry reduction, sepsis bundles, fall reductions, standardization of diabetes management, core measure compliance, clinical documentation, and Epic deployment.
